# 2023 FESTIVAL FOR AUTISM

## BUILDSTRONG

### SPONSORSHIP OPPORTUNITIES

By supporting BUILDSTRONG, you'll also be supporting the Autism Strong Foundation's mission: to provide the strongest support, community and hope for those touched by autism.

All funds given to Autism Strong are mindfully donated back to our local community in the way that will make the greatest impact; providing much needed financial aid relief to people of all ages living with autism. Through the ASF Landon's Hope Scholarship Program, families are granted financial aid to cover some to all of their child's annual autism therapy services. Autism Strong also supports local children by providing their summer camp tuition at North Carolina's own Camp Royall, the largest and oldest camp for autism in the country as well as adopts families and provides holiday financial relief through their Angels 4 Autism program.
